The 1982-83 Chimes is Dedicated to .

Dr. Richard H. Brewer for his work and dedication in establishing a department that represents Pfeiffer not only locally, but abroad in a tradition of excellence

and . . . Dr. J. Michael Riemann for beginning a new computer department to further the educational span of Pfeiffer College and for being a friend to all.

HAPPENINGS

Homecoming

Senior Representatives: Kathy Honecker, Pam Felker, and Julie Wright who was crowned queen at the Homecoming Dance.

1982

. Fantasy Island

The events that made up Homecoming this year were varied and exciting. They began Thursday night, September 30 with the Variety show in the theatre, followed by a patio dance. The CUB sponsored Livingston Taylor and Frankie and the Knockouts concert on Friday. Saturday the Carnival began bright and early and included various booths, and games. The parade was a big success with Mr. Rork and Tattoo leading the way. The rest of the day there were Alumni Soccer and Baseball games, and Pfeiffer beat High Point College in their own match-up. The weekend wrapped up with the traditional dance at Fiber Industries on Saturday night where Julie Wright was crowned Homecoming Queen for 1982.

Williamsburg Christmas

Music major, Rene Cline, "directs" the decoration of the Chapel.

If any one event on the Pfeiffer Campus during the year brings the Pfeiffer students closer, it is the decoration and events surrounding Williamsburg Christmas. Williamsburg Christmas deals with the non-commercial aspects of decorating, aspects used in early Williamsburg Pennsylvania and that are still used today. Decorations consist of various kinds of greenery cut from various spots on campus. This weekend is a time when Pfeiffer students are brought together without the affects of lights, commercials, or presents, but celebrate the Christmas Spirit through working together with nature.

Dean Madeline Allen does her part in decorating the Student Center.

The work is almost finished and the decorations are completed.

April Festival

April Festival was, again, a big success. Festivities started with a dance on Friday night at Fiber Industry in Salisbury with the "Entertainers" and the presentation of the representatives for April Festival Queen and the April Fest court. On Saturday, the carnival began in the afternoon, crowning of the queen followed. This was held in the old Gym due to inclement weather. The candidates for Queen were Carol Durkin, a Health and P.E. Major from Massachusettes, Cindy Long, a Psychology Major from Durham, and Pam Felker a Business Administration/Psychology Major from Charlotte. Pam Felker was crowned April Festival Queen for 1983. April Fest ended with the fantastic "Sugar creek" concert on Saturday night.

Toga, Toga, Toga . . .

Pfeiffer held its now annual Toga Party again in September and great time was had by all. Food was provided by Epicure, Music was provided by C.U.B. and head wreaths were supplied by the bushes.

CUB Entertainment

The College Union Board provided many forms of entertainment throughout the year. Among these were concerts featuring some top notch names of the entertainment world. Frankie and the Knockouts along with Livingston Taylor put on a concert many will not soon forget. CUB also brought locally famous Sugarcreek to Pfeiffer as part of the April Festivities. This concert seemed to be the most liked of all. Many CUB sponsored movies were brought to the Pfeiffer week ends such as "Absence of Malice" and "Chariots of Fire". The CUB brings many good functions to Pfeiffer and they should be encouraged to continue.

Super Dance USA

Michele Malcolm collapses on the floor to take a break

In March of this year, something very unique and special happened to Pfeiffer College and its surrounding community. Pfeiffer College held its own Dance-A-Thon for Muscular Dystrophy. Area Schools were invited. As patrons of the dance we were televised by a Charlotte station. Free t-shirts were distributed to everyone and a large amount of money was raised. Special thanks to Tony Yarbrough for his fine work as chairman of this event and also thanks to anyone who donated or participated.

Blood Drive

Pfeiffer put on its semesterly Blood Drive again this year and a little over 125 pints were collected in the spring. Many more people tried to give their blood, but minor complications kept them from doing so.

Would you take this guy's blood?

TYNDALE

Pfeiffer Theatre achieved a new high this year with one of the most exciting years the theatre has ever seen.

The year began with the American Premiere of Tyndale by John Stuart Anderson being done here at Pfeiffer. This was one of the more serious plays the theatre has presented and it was handled with great expertise. Fred Salancy, the head of the theatre department, played the character of Tyndale and proved that he can act as well as direct. The play was well received within the school and the surrounding community and obtained good reviews.

The American Premiere of TYNDALE

William Tyndale

William Tyndale (ca. 1494-1536), an English reformer, was translator of the first Bible printed in English. Tyndale lived in an age when the Medieval world was making room for the modern. He attended Cambridge where he studied biblical languages; later he matriculated at the University of Wittenberg where he came under the influence of Martin Luther.

Tyndale completed in 1525 his translation of the New Testament into English and submitted it for publication in Germany, for England was at this time still Catholic. Eleven years later Tyndale was arrested as an enemy of the Emperor and imprisoned in a castle not far from Brussels. Early in October 1536 he was degraded from the priesthood, strangled and his body burnt, though unsuccessful attempts were made from England, which had now become Protestant, to secure his release.

Tyndale's main achievement lay in setting the direction later English Bible translation was to take: to capture the tone and rhythms of the spoken word as the appropriate language of Scripture. The King James Version thus owes a great deal of its influence and success in the English-speaking world to William Tyndale.

THE PUBLIC

After Tyndale came two one-act plays; "The Public Eye" and "Black Comedy" by Peter Shaffer.

The "Public Eye" had a cast of Judy O'dell as Belinda, Paul DeFerrari as Charles and Erik Berg as Julian. This was a look at the problems of a married couple and how they were resolved by the "other Man" which turned out to be the investigator the husband hired to find out who the wife was having an affair with.

BLACK COMEDY

Mindy Smith, Brent Gibbs and Kit Jenkins are running around in the dark or is it?

The Black Comedy was set so that when the lights were on on the stage it was dark to the characters and when the lights were back to normal the characters acted as if they couldn't see. It was a hilarious look at the night a girl's father is supposed to meet her fiancée and everything goes wrong that can, including a power failure. Brent Gibbs, Mindy Smith, Kit Jenkins, Greg Thompson, David Joyce and Kathy Matthews all made the irony of the light/dark situations seem natural.

This was a different kind of play and was very enjoyable for everyone!

RODGERS AND HAMMERSTEIN'S

Oklahoma!

Oklahoma was the biggest production of the year. Before this, however the children's play "The Wind in the Willows" by John Stephens was performed much to the enjoyment of young and old alike. The group traveled to area schools and churches to put on the play for youngsters.

Then the production everyone had been waiting for, the Rogers and Hammerstein musical "Oklahoma" which involved approximately 40 students and faculty members. The show was sold out every night and the cast received rave reviews from area critics. This play was also given at Spirit Square in Charlotte where it also received encouraging reviews. The main characters played by Deena Hester and Craig Estep were expertly done as were the parts of Ado Annie (Julie Wright) and Ali Hakim (Brent Gibbs).

Fred Salancy had done it again and we look forward to all of Fred's future productions.

Coach Roger Gompers
"Coach of the Year"
Conference and District

Pfeiffer's Soccer Team saw a new coach at the helm this year—Pfeiffer Alumnus Roger Gompers who led his team to an overall 7—8—2 record and a District playoff spot. The Pfeiffer booters were 4—2—1 in the conference, good enough for a third place tie. Pfeiffer goalie Donnie Winkler had a good year only allowing 30 goals in 17 games. Freshman Bobby Cole received MVP Honors. For his efforts, Coach Gompers was named both Conference and District "Coach of the Year."

The 1982-83 Women's Field Hockey Team

First year coach Nancy Mac Dade's Women's Field Hockey Team had an excellent year despite posting a deceiving 7-6 record. Five of their six losses were at the hands of Division I opponents such as Duke, UNC, and Virginia Tech. Sophomore Beth Connors led the Lady Falcons offensively with 11 goals and 5 assists. Defensively, goalie Karen Oakley was a standout limiting the opposition to only 24 goals. With the graduation of MVP Carol Durkin being the only loss, the Lady Falcons should be tougher next year.

1983 Wrestling

John McKenna, Mike Patterson, Scott Bridgeman Bruce Lambert, Josh Patterson, Ken Budd, Mike Simpson, Scott Reinertson, Dave Rilling—Coach

First year wrestling Coach David Rilling and his Varsity Grapplers had a disappointing 2—13 dual meet record, but that was mostly due to the lack of depth in filling certain weight classes. They did very well, however, in tournaments. As a team, they placed fourth in the NCAA regionals and fourth again in the Conference tournament. Junior heavy weight standout, Bruce Lambert wound up with a 33—4 record and 27 pins. Bruce won All-American Honors in both the NCAA and NAIA. Nationally, Pfeiffer finished 16th in the NCAA and 23rd in the NAIA. Senior veteran Ken Budd won MVP honors and was selected the male recipient for the Sportsmanship Award.

Coach Tom Childress stepped down this season as head coach of the Men's Varsity Basketball Team after 16 years of service. Childress' Falcons had a very good year posting an overall record of 15—11, with a 10—4 Conference record. High scoring honors went to junior William Milteer (540 pts.) and senior Horace Fautleroy (461 pts). Freshman starter Mikey Moody added good ball handling and quickness to the offense. For their efforts, Milteer and Fautleroy received All-Conference and All-District Honors. Assistant Coach John Lentz will assume head coaching duties for the Falcons next season. We wish him luck in maintaining the fine basketball tradition laid forth by Coach Childress. And to Tom Childress we wish the best of everything. Thanks for a great 16 years, Coach Childress.

The Lady Falcons posted a 5-5 record this season, with impressive wins over Milligan College and UNC-Charlotte, and a first place victory in the Pfeiffer Invitational. Seniors, Pixie, Jane, Cindy and Brenda provided the team's leadership. Cindy set new school records in the 50, 100, and 200 meter free-style, and placed 10th in the NAIA Nationals in the 50 meter free-style. Mannette also made the trip to the nationals in the diving category and Kelly in the breast-stroke.

1982-83 Men's Swim Team

The Men's Team compiled a 3-2 record and gained a first place victory in the Pfeiffer Invitational. Seniors on the team were: Matt Knight, Donnie Rabb, Randall Lewallen, Greg Tomberlin, and Jerry Patterson. Curtis Baker was the top scorer for the men and the only triple winner in the men's division of the Pfeiffer Invitational.

Due to this Spring's inclement weather, Coach John Lentz's Golf Team only saw limited action this spring posting a 2—1 record in dual matches and finishing ninth in the District tourney and seventh in the Conference Tournament. Mark Ridder represented the linksters well and walked away with MVP honors.

1983 J.V. Basketball Team

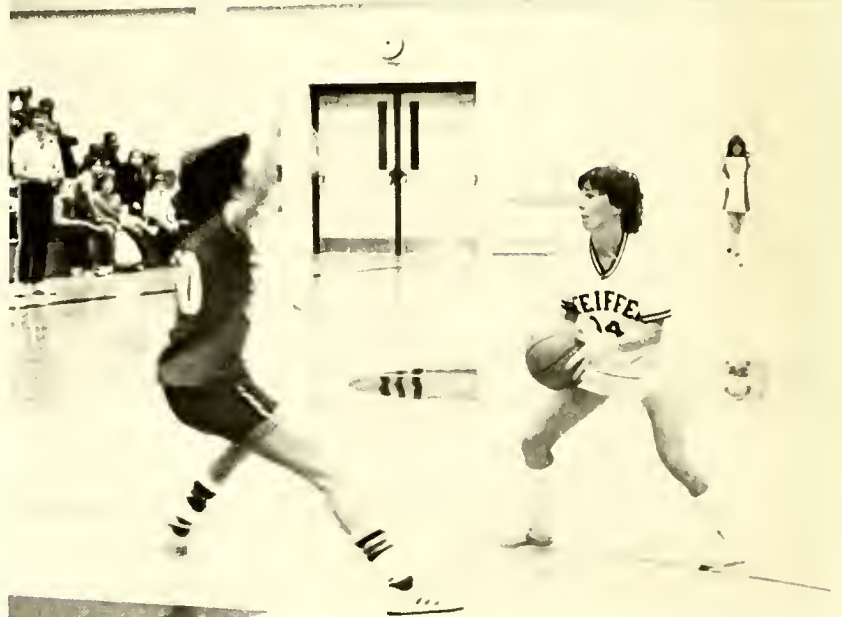

Kneeling: Arlen Pegg, Donnie Hunter, Demetrui Marlowe, David Roseman, David McDuffie. Standing: James Carlin, Frank Kelly, Mark Honecker, Jim Dugan, Coach Max Bristol.

Head Coach Max Bristol's J.V. Men's Basketball Team had a disappointing season record wise, but faced an uphill battle throughout the season, facing mostly Varsity competition from area community colleges. Co-captains Jim Dugan and Arlen Pegg led the team in scoring. This team worked very hard all season in practice and during game time and deserves substantial recognition.

1982-83 Women's

Injuries and illnesses hampered the Lady Falcons and first year coach Jackie Myers' attempts at a .500 season. The young Lady Falcon basketball squad posted a 9-13 record, but fared much better than their pre-season pick to finish last. Junior forward, Annette Carter made the All Conference team by averaging 15.8 points and 9.7 rebounds per game. Sophomores Mary George Johnson and Casey Lanning, who both average over 11 points per game, will be the other returning starters.

Despite the wettest spring in recent memory, The Pfeiffer College Lady Falcons won their second consecutive Conference Championship by defeating the Lady Indians from Catawba 4-3 in the Championship game and compiled an overall record of 18-11. The Lady Falcons also represented themselves well in the District 26 (State) tournament by finishing in fifth place.

Mary George Johnson, a sophomore centerfielder, was named Conference Player of the Year and District Player of the Year. Tammy Sides, a senior third baseman was also named to the All-Conference and All-District teams for the second straight year.

Kim Wilson, a four year starter at first base, ups her average with a base rap.

Senior second baseman, Janet Dixon anticipates a defensive play.

Seniors Kim Wilson, Janet Dixon, and Tammy Brown all turned in excellent play during their last season. Junior Terry Kimmer, again had a fine year coming through with key hits and defensive plays.

Sophomores Julie Beck, Casey Lanning, and Sharon Norris all turned in good play during their second year. Beck moved from centerfield to shortstop to replace injured Carol Coble, and Lanning finished the year with a 15-8 pitching record after missing the first six games because of injury. Kelly Alvdj (outfield) and Kris McCowan (outfield) both played game after game of errorless ball throughout the season. Laurie Nimmons and Teresa Carlton while not being regulars, both did excellent jobs when called on to play.

Junior catcher Terry Kimmer awaits the ensuing pitch.

Senior centerfielder Tammy Brown connects for a base hit.

1983 Baseball Team

First row: Hud Jarman, Wayne Lassiter, Doug O'Brey, Cliff Lassiter, Coach Joe Ferebee, Phil Norwood, Darrell Walker, Mark Ferebee. Second row: Al Floyd, Jimmy Meadows, Jeff DeBoy, Ed Tompkins, Mike Downs, Tony Causby, Todd Wyrick, Mikey Moody. Back row: Jeff Krasne, Steve Tomberlin, Arlie Sides, Dave Welker, Eric Tsitouris, Dennis Sifford, Tim Pulliam, Lou Peters.

The rainy Spring and soggy turf took their toll on Coach Joe Ferebee's Baseball Team as the Falcons were rained out of 20 games, making up only 6 of them. The team record of 10-11-1 left Coach Ferebee one victory short of the six-hundred mark for his college career. Of the twenty-two games played, the Falcons played only one on campus as field draining problems forced them to play elsewhere. Pfeiffer finished strong, winning four out of their last five games, posting a 7-5-1 Conference record and an 8-7-1 District mark.

Four Falcons received post season honors. Seniors Mike Downs and Doug O'Brey were both named to the All-Conference Team. Downs hit .422 with 32 RBI'S and 7 homers. O'Brey hit .409 with 30 RBI'S and 4 homers. Also Junior catcher Jimmy Meadows and sophomore pitcher Al Floyd both made the All District Squad. Meadows hit .326 with 23 RBI'S and 5 homers. Floyd had a flawless year posting a 5-0 mark, with an ERA of 3.24. Al won half of the Falcon's games.

The Falcons graduated six of nine starters but have very good talent returning to fill the holes and keep the Pfeiffer Baseball winning tradition.

The Pfeiffer Cheerleaders, under the direction of Angie Lefler, seem to be improving season after season, sport after sport. Their constant support for Soccer, Wrestling, Men's and Women's Basketball and Field Hockey keeps the Pfeiffer Falcon spirit flowing from the opening tipoff to the final buzzer. They are to be congratulated for a fine year of support.

Editor's Acknowledgements

This year's book is very special to me because this is my last year as editor. The three years that I have been editor I have learned more about people and how to deal with them than I ever did before. It has definitely been a learning experience. For once there was a staff to work with, and overall things went much better. I would like to say a special thank you to Mr. Larry Sides, our representative, he helped above and beyond the call of duty as did Jeff DeBoy, my better half, who spent hours working with me on the book. I thank these two special people along with Dr. Echols and Dean Westcott who gave advice that was greatly appreciated.

A deep thanks goes to Richard Lafferty who listened to me complain and got me pictures when I needed them and also to Larry Durrett for his help on the sports section.

All in all this is a good book, it could be better, but the improvement I leave upon Judy O'dell who will take over for me next year.

I hope that everyone enjoys the book and in years to come will find many fond and joyous memories within its pages.

Thank You!
